The Physio-Meds.

The American Physio-Medical Association was in session again yesterday, concluding its labors in the afternoon. A number of interesting papers were presented and discussed and the meeting, like that of the two preceding days, was of a highly interesting character. The following Board of Censors was announced by the President: S. G. Richardson, Indiana; S. E. Dyer, Ohio; L. L. Mooney, Illinois; J. A. Waller, Ohio; M. C. Keith, Minnesota. The following Chairmen of Sections were appointed: Histology, Dr. R. A. Smith, Greensburg; Microscopy, Dr. W. E. Ellis, Falmouth; Chemistry, A. Churchill, Nevada; Gynecology, H. M. Dr. Parker, of Ohio, presented the following series of resolutions which, after a lengthy discussion, were laid upon the table:

Resolved, That we are not in sympathy with any institution or so-called medical college where knowledge is not the one thing necessary for securing a diploma.

Resolved, That this association recognizes in the Physio-Medical Institute, located at Marion, Ind., an institution that is worthy of recognition and patronage by making claims upon physio-medical which are not warranted by the course of instruction given.

Resolved, That we, as the representatives of true medical reform, will not recognize nor recommend to others for their recognition this institution while conducted on its present basis.

Dr. White presented the Bureau of Gynecology, and a discussion followed, in which Drs. Brentlin, Byers, Hasty and others participated. The presentation of the Bureau of Chemistry closed the programme, and the meeting adjourned.

GRAND LODGE I. O. O. F.

Interesting Memorial on the Death of Hon. Schuyler Colfax.

Routine Business Transacted—Nomination of Officers for the Ensuing Year.

The Grand Lodge yesterday transacted some routine business, after which the following officers were nominated, the election and installation, however, not taking place until the November session:

Grand Master—J. B. Kenner, Huntington.
Deputy Grand Master—A. N. Grant, Kokomo.
Grand Warden—T. T. Michener, Shelbyville.
J. E. C. F. Harper, Madison.
Secretary—R. F. Foster, city.
Treasurer—Theodore P. Haughey, city.
Trustees—William Wallace, John T. McQuiddy and J. A. Ferguson.

The memorial on the death of Hon. Schuyler Colfax was presented, the following being a copy:

To the Grand Lodge I. O. O. F. of Indiana:

If, as the Good Book teaches us, it is better to go to the house of mourning than to go to the house of feasting, then, indeed, we are blessed in coming together in this our semi-annual convocation, for we each only journeyed from our respective firesides to find ourselves gathered within the walls of this "house of mourning." The fearful and sudden demise of our late most valued and beloved brother, Schuyler Colfax, chilled the heart of every Odd Fellow in the jurisdiction with intensified sorrow, which time has yet failed to assuage.

His father's dying before his birth left his training to his widowed mother. Commanding neither riches nor renown from his ancestry as a basis on which to build his life's monument, and inheriting honesty, industry and a true heart, he, from his boyhood, had endeavored to achieve his own distinction and unadorned claim, round by round, the ladder of fame, till, reaching the summit, he had inscribed his name thereon with a firm and honest hand in living characters which will endure forever.

His record as an honored member of our institution is so well known to every Odd Fellow the world over, that it seems only a repetition to make mention of it on this occasion. From the day he entered the portals of Odd Fellowship to the hour of his death he never failed in fulfilling each and all of his obligations thereto.

The death of our brother has left a void in the ranks of the American Odd Fellowship. The death of no member of this Grand body could have produced greater grief in our hearts, and while humbly bowing to the edict of Heaven in taking him from us, we prayerfully beseech for strength from the giver of every gift to enable us to bear our sorrow.

To those who daily witness the vacant chair at the bedside in that home which has been so beautifully said "his heaven on earth," the Odd Fellows of Indiana tender their most affectionate remembrance, and sympathy.

Respectfully submitted,
THOMAS UNDERWOOD,
Grand Master,
W. R. MYERS,
Grand Warden.

Seeking a Pardon.

Mrs. Jackson, one of the teachers in the Sunday-school at the Southern Prison, appeared at the Governor's office yesterday, with an application asking for the pardon of a convict named William Christberry, who is lying in the hospital in a dying condition. Christberry was sent to Jeffersonville from Owen County in 1872 to serve a life-time sentence for the murder of an intimate friend. The crime was committed in 1865, and the murderer was arrested but managed to make his escape from jail, going directly to Kentucky, where he settled with his family, remaining there for eight years. He was unable to remain away from the scene of his crime, however, and returning to Owen County was again captured and sent up. His wife is dead, but his daughter still lives, and is a very attractive-looking young woman. She has seen her father but twice since he has been in prison, but is exerting herself to procure his pardon, and will no doubt be successful.

New Custodian and New Janitors.

Postmaster Jones has received the appointment as custodian of the Postoffice building and took charge yesterday, the property being turned over by Mr. McKay. Fred Jones, son of the Postmaster, will succeed Frank Hall as Chief Janitor; Michael Dowling becomes Engineer in the place of John Cahill; James Johnson becomes night watch, succeeding Fred Lang; Peter Nison, Daniel Barskald and Henry Alberhardt succeed J. W. Watts, H. W. Smith and J. W. Stewart as laborers. John Cahill, elevator boy, is succeeded by John Newland. The salary of the Chief Janitor and Engineer each is \$800; of the night watch, \$720; of the three laborers, \$800 each, and of the elevator boy, \$540. Alberhardt and Barskald were soldiers.

The German M. E. Sunday-School Conference.

Rev. W. H. Schruf of Madison conducted the devotional exercises yesterday morning at the German M. E. Sunday-school conference. Rev. L. Allinger of Cincinnati read an address on how to make the Sunday-school effective in the German family life. In the afternoon Rev. Jacob Blockstahler and Rev. Otto Wilke delivered addresses which closed the regular work of the meeting. The next conference will be held in Louisville, and the address will be given by the delegates at the First German Church by the Sunday-school last night.
